

How to find us —

From the **A495** road (from **Oswestry** to the north and the **Welshpool/Machynlleth** road **A458** to the south).

2 miles south of **Meifod**, take the signposted turning to **Pont Robert**. As you enter the village turn sharp right up the hill past the Royal Oak pub.

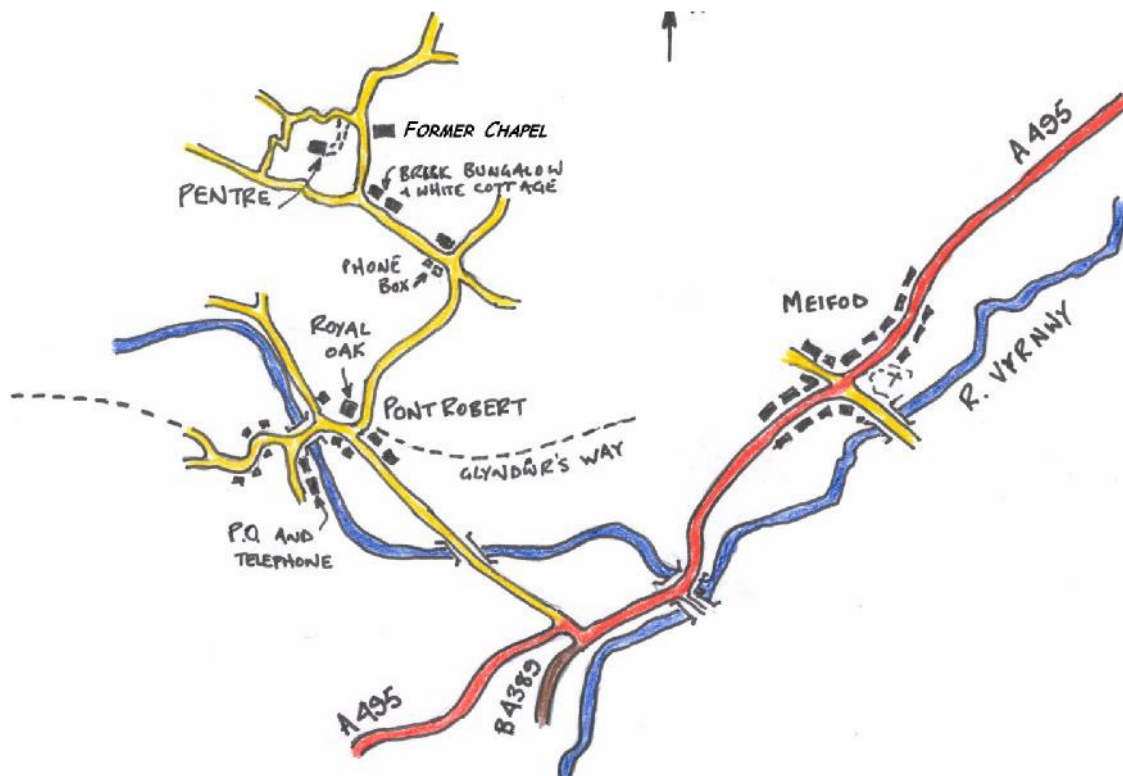

1 mile up that road is a crossroads with telephone kiosk and letter box, turn left.

After a little under a mile you will see a white house and a brick bungalow on a T-junction, turn right. (If you are on foot, carry straight on for a few yards instead to a track on the right marked Heulevan and follow it up through the gate and over the hill to Pentre).

Up the hill about half a mile, just after a small former chapel, turn left.

About 100 yards along that road you will find an entrance with a cattle grid and a sign 'Pentre'. Follow the track across the field and down through the wood to the house.

If you get lost, please phone. There are public phones at Pont Llogel, Dolanog, Pont Robert or Meifod.
